Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Editor,

I am writing in response to the letter in the August issue from Mr. Smart.

He says it is selfish for Tesco to put a locking system on their trolleys, but I must disagree with his view. The trolleys which are regularly seen on the pavements around Bar Hill are the property of the Tesco store and if someone wishes to take one from the store then it is surely not too much to ask them to return it. However, many people feel that it is not necessary as Tesco send a van around almost daily to collect their property that has been abandoned by careless shoppers. This must cost the store a price and this is then passed on to us, the consumers, as well as the price to our Village of trolleys littering our streets.

Surely it is a good idea to have deposit trolleys; those who are happy to return their trolley can collect the deposit in full, whilst those not willing to return the property of the store are paying for the collection by the store, or any one that is willing to return the trolleys for the money within.

I feel that the Tesco development will be good for all, but we must remember that it is easy to criticize such a development for the petty details when they are in fact offering us so much.

I am sure that the new plans will be providing us, the villagers, with many new and updated facilities as well as a convenient way to shop and I praise Tesco for their patience; they are trying their best to fit in with a community of differing opinions and

we are not making the task easy for them.

I would like to end on the point that if Tesco pulls out of Bar Hill what will we be left with? It is a long way to push a trolley from Milton.

Is it better the devil you know or the ones you don't?

Jamie Powell

Dear Editor,

In reply to Mr. John Smart's letter in the August edition of the BHN: The reason for Tesco's introduction of lockable shopping trolleys is to reduce the number of trolleys left around the Village after use.

Trolley locking will be by use of a magnetic device which will lock a trolley's wheel(s) if an attempt is made to remove a trolley from the shopping site surrounding the new store.

Tesco have given an assurance that all individual shoppers who have a genuine need to use a trolley to take shopping home will be able to do so. A member of staff will unlock the trolley.

All trolleys are free ie. no charge is made, nor will any charge be made in the future.

I apologise to anyone who may have felt concern arising from my previous letter in the May edition of the BHN.

A special 'thank you' to the lady in Appletrees who looked after 'Maisie', and to all those who rang to let us know she'd been found.

Dear Editor,

Rightly or wrongly I have avoided the public debate on Tesco, however your August edition leading letter cannot remain unchallenged. Let me start by saying I would not know Mr Boughton-Fox from a Tesco trolley but he did make some very valid points.

Firstly, if someone needs conveyance for his/her purchases, and I am sure we all will at some point, let the individual concerned provide it.

The act of removing a trolley from the supermarket precincts denies its use to other shoppers, for whom they are provided. The ongoing cost of replacement of all those "absent" trolleys, at hundreds of pounds per trolley, is an expense which works its way through to all our shopping costs. Likewise, all those trolleys discarded by thoughtless individuals to obstruct and litter our footpaths and grass area's; if anyone doubts this, walk along the watercourse which bisects the village - now hidden by new growth are some 12 -14 of the things.

Lets us have a "coin in the handle" system. I'm sure Mr Smart would agree a refundable £1 for such convenience is value for money. Few, if any, will discard their coin bearing carts and the official Tesco excuse that it will encourage vandals does not hold water; even those individuals will soon work out that trolleys in the holding areas offer no "quick quids".

The same Tesco managers to which Mr Smart addresses himself may also like to take note, if the present arrangement is continued I will join forces with the likes of Mr Boughton-Fox and insist that something is done: the Litter Act will do for a start.

Colin Macer

Dear Editor,

POLICE HELICOPTER

I get very irritated with the police when I am woken by a helicopter circling overhead in the early hours of the morning, shining what seems like the brightest man-made light onto our houses. A view I held strongly, until recently that is.

I awoke wanting to use the bathroom. Crossing the landing, I saw someone creeping around downstairs. Acting as though I hadn't noticed, I went back to the bedroom and quietly called 999. What followed was a precise operation that would leave any resident feeling well served by the police. Every officer involved was very professional and I have written to thank them. If the intruder had stayed around, the six police cars and helicopter would have caught him or them.

The point I make is that although it is a nuisance, the helicopter is an important part of the police arsenal in catching or deterring criminals, and residents should think twice before complaining.

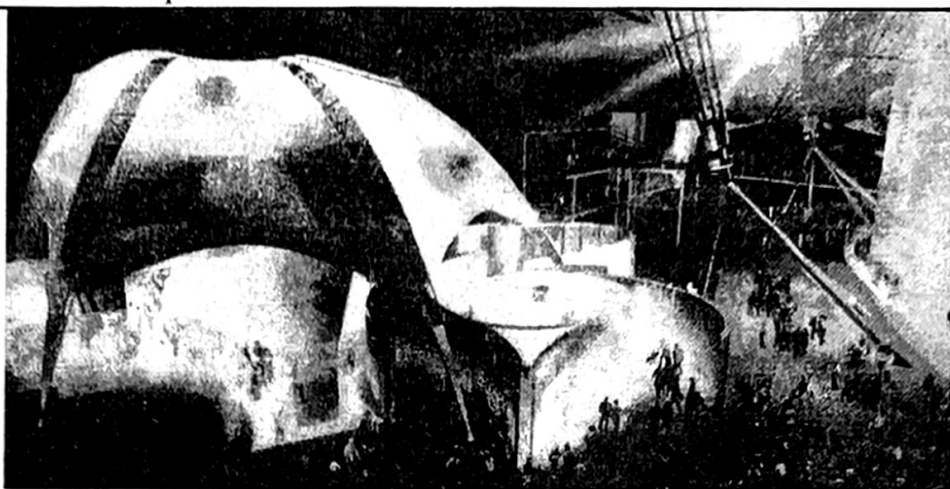

Remember, it could be an intruder in your house with you and your family. If we complain too much, there might not be as much help at hand in future.

2 or 3 Volunteers needed to help with BHN production

To produce the Bar Hill News, a team of about 50 volunteers each do their part. We are currently in need of 2 or 3 people to help with the collating and stapling of 100 copies each. We will bring you 15 bundles of 100 pages which will need to be collated into 100 complete copies and then stapled. This usually occurs close to the end of each month. Staples and a stapler will be provided.

If you are willing to help or want to find out more, please contact Martin Avery 781233.

Ten things you need to know about the millennium dome.

The Dome has had a bad Press, but it has also got people talking about one key question: how much of all this Millennium activity ought to reflect the Christian nature of this anniversary? After all the mis-reporting and rumour, here are the facts. Please pass them on!

1. The name Spirit Zone has been replaced by Faith Zone.

2. The Christian story will be the pre-eminent one in the Zone.

3. There will be an explanation of the "calendrical fact" - that the Millennium is here because we count our years from the birth of Jesus of Nazareth.

4. There will be explanations of how the Christian story has affected this country's history, with today's Christians telling the tale.

5. In addition, the Zone will contain material about all nine major faiths in the UK's twenty-first century landscape.

6. Other parts of the Zone will encourage the visitor to ask the basic questions about the purpose of their life, and to make commitments, or ask questions about their own future.

7. Funding is now secure for the Zone: £3m from a range of Christian Trusts and companies, and £1m from the Hinduja Foundation.

8. A Christian chaplaincy team will be on duty when the Dome is open, and there will be a simple act of Christian prayer twice a day in the Prayer Space. There will also be provision for Sunday worship.

9. The New Millennium Experience Company have been in constant touch with the 'Lambeth Group', (representing the churches and other faith communities) about the content of the Zone for the last two years.

10. The Zone covers half the size of a Wembley football pitch and is housed within a spectacular tent structure.

Now we must await the full details of each part of the Faith Zone, but there is plenty of good news for everyone. If you decide to go to Greenwich next year, you won't want to miss it.

Bar Hill Parish Council

There is very little to report this month as the Parish Council did not have a meeting in August.

Tesco Redevelopment

Hopefully the final outcome of the decision regarding land for the above development will be solved and, if so, a report will be given in the next edition of the Bar Hill News.

Overgrown Bushes and Trees

Once the birds have flown their nest, our Tree Management programme will resume in the autumn.

Village Green Drainage

The drainage to the Village Green has taken place. Hopefully this will alleviate the problem of waterlogging. The drainage has been put in on a 'continuous' system in the event that if there are still areas requiring attention further drainage can be added.

Other Matters

If you have any queries it would help if you could put it in writing and post through the door of Anne Norman's Wool Shop, (I collect from there daily). If we receive a letter it can be passed on to the relevant Councillor to follow up, I am then able to see the item through to a, hopefully, suitable conclusion.

Lesley Sadler, Parish Clerk

Panmure School of Dance

Established in Bar Hill in January 1985

Good-bye and Good Luck Jenny!

We are very sorry to be losing Jenny Turney to Italy but it is high time that she explored beyond Bar Hill and we wish her much happiness and success. Jenny has been a popular and good Principal for the last two years and in her time the School has truly gone from strength to strength. Her talent and ability are clear from the terrific results in the recent Royal Academy of Dancing Ballet Assessments and Examinations.

Well Done Everyone !

A marvellous set of results - it is not the policy of the School to name individual children because at Grades level it is all about fun. Children are not competing with others - they simply all do their own best. For some, for instance who may be younger than others, Pass Plus would be a marvellous result whilst for those who by good fortune are 'built for ballet' anything less than Honours would mean they haven't tried as hard as they could - and perhaps it would spoil their enjoyment to have to slog any harder than they did. Provided they know how to work safely and are properly prepared for the next step up it really shouldn't matter what grade of pass they get.

This all changes of course when the really serious exams are being taken and it can be heart-breaking for some who pass but don't get their best possible grade on the day due to illness. They just need to remember that there are usually other chances. It is right to commend those who succeed at these higher levels and two of our students, gained the highest possible children's examination - the Grade 8 Senior Award. This is not at all easy to pass, let alone get higher grades of pass and congratulations must go to Charlotte Fitzgerald and Kelly Hargreaves. Both were Commended at Grade 8 and gained their

student membership of the Royal Academy of Dancing - Well Done, you two!

Director / Principal and New Teachers

Felicity Maule Walker remains as Director and will combine this role with Principal, at least for now. The article in the Cambridge Evening News was enormously successful, resulting in 17 enquiries; Auditions have now been held and Felicity is pleased to announce the appointment of a group of **three** teachers which will bring both energy and experience to the school as well as being able to ensure cover in case of illness. An exciting start to the next fifteen years for this growing school.

* **Denise Hall** - a highly qualified teacher in both Ballet and Stage with many years of teaching experience. Trained at Northern Ballet.

* **Kathy Kearns** - well qualified with a strong performance background in Ballet and Stage as well as teaching experience. Trained at Arts Educational.

* **Kelly Hargreaves** - trained at Panmure in Ballet and Stage and with three years of teaching practice already.

Adult Classes Return

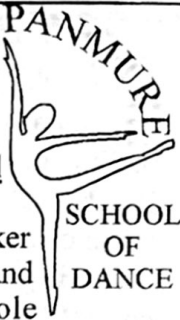

The School has always held Adult classes until Felicity had her little boy and could not continue with these. However we now have the team to be able to deliver these again so if you are 16 or older (no upper limit!) and would like to dance for fun, Call **268132 NOW** - tell us what type of dance you want and we'll try hard to arrange it. Though - please note - we will not be offering Ballroom.

Children's Classes

Boys and Girls are welcome from approximately 2½ years upwards.

Call **268132** if you want to ask about classes, and/or see our advertisement.

Enrolment Day for the Autumn Term is Sat. Sept. 4th. If you receive the BHN after this date just give us a call.

Dear Editor,

I would like to draw your attention to an error that occurred in the production of the 1999 edition of the Bar Hill Directory concerning the telephone numbers of The Golden Ball, High Street, Boxworth. The correct telephone number is **01954 267397** and the correct fax number is **01954 267497**. I apologise for any inconvenience caused.

September is a peak time for holidays so make sure your property is secure and ask a neighbour to keep an eye on it. Don't forget to cancel the milk and paper deliveries. Make especially sure that garages and garden sheds are properly secured.

'Distraction' burglaries are on the increase in Cambridgeshire. The only way that this kind of burglary can succeed is if you let people into your home. No matter how plausible don't let anyone into your home unless you are sure that they are genuine. Bona fide callers will understand and wait whilst you are making checks. Remember that ID cards are easily faked.

The allotments are very productive this year; we might all complain of the extremes of weather but the 1999 climate seems to bring out the best in the Bar Hill soil. Allotment holders clearly like the return of good organic food for their voluntary, but hard, labour and it occurs to me that other life forms benefit too. During my work on the allotment I have seen butterflies (Peacock, Red Admiral, Meadow Brown, Orange Tip, Small Heath, Blues and Gatekeeper), moths (Burnets, Cinnabar, Silver Y and Orange Underwing), birds (Woodpecker, Partridge and Meadow Pipit) and animals (grass-snakes, frogs, voles, mice and moles - some of which live under my plot). The moles uproot an occasional plant but the damage is insignificant and probably a small price to pay for their work in consuming slimy (and otherwise) plant pests.

Passers-by might well consider the allotments to be untidy, but we like to leave unused areas alone for the well-being of small creatures. They need somewhere to feed and breed and are barred from many gardens, the 'manicured' public areas and particularly the monocultural farmland around the Village.

Plots are available by application to Paul Lloyd, who can be contacted on 200591.

Pre-School Playgroup

We would like to welcome you to The Bar Hill Pre-School Playgroup.

We are located in the Village Hall Centre on the Village Green and can easily be reached by footpath or from the perimeter road via The Spinney.

The aim of our successful playgroup is to enhance the personal and social development of **all** children placed in our care. This is achieved through the various activities we have in our **two rooms**. This provides the educational setting required by OFSTED. All our sessions are run by our team of trained, experienced playleaders - Heather, Jenny and Gill.

Session times:-

| | |
|---------------------|-----------------|
| Mon, Wed & Thu. | 9.15 - 11.45 am |
| Tue. 'Playtots' | 9.30 - 11.00 am |
| Tue. | 12.30 - 3.00 pm |
| Fri. 'Rising Fives' | 9.15 - 11.45 am |

Information

Did you know that at our Playgroup we use a vast amount of equipment? This includes a slide, climbing frame, a playhouse, various dressing-up clothes, a Brio train set, a sand/water play area, a painting area, a book corner and far too many puzzles and games to mention!

Each session has a timetable of events in both rooms. Our **Craft Room** provides us with the facilities to develop mathematics, scientific reasoning and Information Technology through a series of topics which incorporates the use of all the equipment.

If you would like to call in and see what we offer please do. The staff will be happy to see you. Our recent OF-

STED inspection report, which was excellent, is held at Playgroup and we would be glad to show it to you.

Playtots

Good news parents! We've changed the age limit so that your child only needs to be **one year old** to come and join in the fun (the upper limit is now 2½ year olds). This session offers the ideal opportunity to set the 'feel' for playgroup life (interaction with peers, discovering the wonders of one's surroundings, the joy of playing, etc.) However there is a catch for the grown-ups - it's a 'Pay as they play' morning!

Please come and see us, our staff would love to see you and are always willing and able to give advice.

Nursery Grant

Under the Nursery Grant Scheme, if your child is eligible, then the term after their 4th birthday he/she is entitled to **5 free sessions per week**. Please ring Julie Jolley **780445** for more information.

Places

For 1999/2000 places ring Julie Jolley **780445**. Application forms are available at Playgroup, The Library and the foyer of the Village Hall.

Vandalism

Please note that our shed roof is not a perch for children whilst parents are enjoying themselves nearby. Damage done by this uses up valuable Playgroup funds and must not carry on. If it does, then the repair bills will be sent to the respective parents. So please do not let your children abuse Playgroup property!

Subsidised places

We are happy to offer subsidised places to parents on Income Support or Family Credit. Any such request will go before the committee together with supporting documentation sup-

plied by the applicant and will be dealt with on an individual basis.

Please note that we also offer discounts if your child attends more than 4 sessions per week.

Only one discount/subsidy will be allowed per child. Please call our administrator, Julie Jolley, on **780445** for more information.

AGM

Thank you to Mrs. Ruth Pimental for coming along and giving us a very informative talk. My thanks go to all the outgoing committee and welcome to the new committee. Special thanks to Mrs. Tina Binks for all her help and support. Thank you also to the parents who attended. It was a very enjoyable evening.

There are a few vacancies which must be filled on the committee. If you feel you would like to get involved please apply in writing addressed to Sonya York at Bar Hill Pre-School Playgroup.

Donation

The committee and staff would like to thank the Parish Council for the donation received for Playgroup.

Little Acorns

Little Acorns is a privately run pre-school, where children are treated as valuable individuals and encouraged to participate in a wide variety of planned educational activities in a friendly, sociable environment. There are 3 qualified members of staff at each session.

Children are now welcome from age 2½ years. We would like to make places at Little Acorns available to all children who require them, so if you would find it difficult financially, please telephone us and we will try to work something out! Please note that we are now reserving places for 2001/2002, so you do need to register your child early to avoid disappointment!

Our sessions are held in the Church Centre on a Tue. morning and Wed., Thu. and Fri. afternoons. We also have sessions in the School Studio on Mon. and Wed. mornings. (Mon. - children due to start school, Wed. - open to all ages)

We have a system of record keeping, enabling us to monitor each child's progress throughout the year. Each child is also allocated a 'key-worker', a member of staff who specifically monitors the children in their group. Several parent consultation evenings are provided throughout the year, ensuring that parents are kept up to date with their child's progress. We are also available at home to receive calls from parents wishing to discuss anything at any time.

Each child works through a series of workbooks and is able to take reading or workbooks home at the end of each session to share at home with the family.

There is a copy of our OFSTED nursery inspection report available to anyone on request.

From the term after their 4th birthday children are entitled to 5 free sessions per week under the Nursery Grant Scheme.

If you would like to find out more about the wide range of activities we offer or would like to arrange a visit please telephone us at any time. We would love to meet you and your child. Alternatively registration forms are available in the Toddlers room or the Library.

Working for Wildlife

At this time of year on our nature reserves most inhabitants are frantically preparing for their winter survival.

However, this is not the only activity to be found around and about the reserves. It is about now that wardens are sharpening tools and volunteers are polishing boots in anticipation of the work season ahead.

By working through the winter, trees can be coppiced with no danger to nesting birds and the lack of foliage also improves visibility and safety. Scrub can be cleared with no damage to butterflies, there should be no mammals with young and all the wildflowers will have set seed.

The work parties are an ideal way to get out and experience the countryside while providing valuable help for local wildlife. The groups are very informal and friendly and the work can be as hard or gentle as each individual desires. The work can involve anything from putting up fencing, coppicing trees, and pond surveying to counting flowers.

Tea breaks are frequent and the kettle is usually on the boil, equipment is provided and a great sense of achievement is guaranteed.

To take part in a work party near you, ring the wardens of the reserves or The Wildlife Trust on Cambridge 712400 or Bedford 364213 for more information. Alternatively email us at cambswt@cix.co.uk or bedswt@cix.co.uk

Sunshine Pre-School

The Sunshine Pre-School is in the brightly painted building near the School.

As a member of the Pre-School Alliance, the Pre-School offers a secure and comfortable environment for young children to learn and develop at their own pace.

Our newly created garden now has a roadway, climbing frame, children's playhouse, and many other attractive features, stimulating the children's imagination!

Each session is structured as follows:- During the first half of the session the children are encouraged to participate in a variety of activities - sand and water play, painting, craft, construction play and activities to develop reading and writing skills.

Then, after the break for milk and fruit, comes 'show and tell'. This is where the children talk about an item that they have brought with them or a subject that interests them.

In the second half of the session the children are given opportunities to participate in activities that concentrate on the development of numeracy, literacy and social skills.

Note that the term after your child's 4th birthday he/she is entitled to 5 sessions a week FREE. We now accept children from the age of 2½ years (providing they are toilet trained).

Sunbeams

Sunbeams is our new Toddler session - led by our Pre-School play-leader Jo on a Thu. - (1 to 3pm). Each session consists of painting, playing with sand and a large choice of other activities. After a break for milk and

fruit, the children play outside (weather permitting) in our fenced off garden, where there is a wide variety of attractive features to play with. The session is then drawn to a close with a singsong.

Hiring the building

All day weekends and School holidays - the charges are:-

£4.50 per hour

£5 for 'ride on toys'

£25 for the bouncy castle

£5 for use of your own bouncy castle

£40 for everything for 3 hours!

Session Times:-

Mon - Fri 9-11.30 & 12.30-3.00 pm.

Why do people learn Yoga?

Many people's first contact with yoga comes through curiosity: being aware that it is something others do, and wanting to find out what new discoveries they might make by trying it for themselves; September is the time we sign up to try something new, preferably not too far from home. Perhaps you are looking for a different form of physical exercise - or somewhere to get away from the daily routine - or a chance to refresh your body and mind through relaxation - or a meeting with an unfamiliar view of life which might expand your horizons?

Or you may start learning yoga because you've heard that it is therapeutic, and you have a problem you would like to overcome: a tired back, symptoms of stress, feeling unfit, or simply wondering how to recapture a little of the energy and enthusiasm for life you know you used to feel. Maybe it is your doctor who has sug-

gested you try it...

It doesn't matter where you are coming from, these are all good reasons for getting started. As with any new activity you can't tell at the beginning how it is going to develop and change as you go along. There will be ups and downs and level stretches, the same as life. Keep an open mind, try hard not to miss your weekly class, and see what happens.

So in a yoga class, what does happen? First we are learning to open and stretch the body. Everybody knows that that is a good feeling. We work slowly and quietly, at first very gently to avoid strain on the joints. As we progress, we are looking for ways to adapt the postures, so that everyone is doing effective, strengthening work, but not being overtaxed; no two bodies are identical, there is no competition, each person works individually.

Secondly we are learning to use and appreciate the breath: breathing,

of course, is vital to us all and it also connects the mind with the body in a peaceful and satisfying way. Our different states of body, mind and emotions all influence the way we breathe, and vice versa: good breathing has soothing and energising effects on us, physically, mentally, emotionally. We bring the breath into focus, perhaps for the first time, and learn to work with it consciously.

We have each time a new experience of being with ourselves, as well as with others: for an hour and a half, we are in the present moment, or trying to be: that is more unusual than it may sound. We see for ourselves how practising yoga can improve health, concentration and awareness... and we have a good stretch!

Bar Hill Table Tennis Club begins its new season on Tuesday 15th Sept. and continues every Tuesday during school term time. We meet from 8.00 pm to 10.00 pm in the main hall at the School. We are a small, friendly club which does not play in a league but offers a relaxed atmosphere in which to enjoy the game.

We cater for a wide variety of standards and provide all equipment - all you need is a pair of plimsolls or similar.

So, if you used to play, or if you would like to start, and want some gentle (or not so gentle) exercise, why not come along on a Tuesday evening? If you would like more information, please call Peter Bowers on **781977**.

Bar Hill Sports & Social Club

September already and we are racing to the year 2000, where has 1999 gone?

The new membership year is upon us and Cliff and Eric are at the door 7 nights a week to take your renewal or new application. Once again the prices are unchanged at £3.00 per adult (this will rise to £5 from 1st October), £1.00 for senior citizens (male or female at 60 years or over).

Have you tried our new range of hot drinks? Tea, coffee, cappuccino, chocolate and combinations thereof are now available. Most cost 50p, maximum charge is 60p. Why not add a tipple to your hot drink? Think about it, coffee and brandy, cappuccino and Baileys, what a way to end an evening.

On the sporting front, the Cricket season is now over and I must congratulate the Cricket Team on their attitude to the game; win or lose, the hospitality 'jugs' are out. Perhaps the Football Club can learn something.

Speaking of football, their season is already upon us and with the recent drainage works completed the pitch looks in perfect condition (thanks to the Parish Council).

Regrettably there are only two adult football sides this year, which will make the competition for places even greater. Pre-season training has already started, although I notice there is a lack of presence of the 'First Team' squad. Perhaps they are on holiday?

If you are a couch potato, like me, please make an effort to support our football teams, including the Colts who are also out training for the new season. They and their parents deserve all the support you can give, they are the future and are learning the importance of teamwork, camaraderie, discipline and responsibility. Much better than loitering in The Mall.

Forthcoming Events:

Fri. 10th Sept. - "Turning Point"

Thu 23rd Sept. - Ladies Games Night (where the ladies thrash the men at dominos, darts and skittles)

Dolly the Sheep - Will we be next ?

Bar Hill Church are pleased to announce that they have arranged a half day conference on the sensitive subject of cloning on October 9th from 9.30am to 1.00pm. We are delighted to have secured three superb speakers (Rev. Prof. Michael Langford, Prof. Derek Burke and Rev. Dr. Fraser Watts) who will present three papers in a 'jargon free' manner to help us both understand and respond to the issues surrounding cloning. Everyone is welcome to attend and the cost of this conference is £2.50 in advance or £3.50 on the door. Elizabeth Burns will be happy to take bookings (with cheques or cash) at the Church Office or via 108 Stonefield. See the poster in the Church entrance hall for more details.

The Royal British Legion

Our Poppy Appeal organiser, Dave Cook, has

already started our plans for this year's appeal and local organisations have been approached for their support. We will,

of course, be asking for help from our many supporters, but details of that will be given in next month's BHN.

The next branch meeting will be on Thu. 23rd Sept. at 7.30pm in the Village Hall.

'A Stitch in Time'

An exhibition of Samplers from 1760 to the present

10th June - 30th Sept.

How many people today find it a struggle to sew on a button or darn a sock? Quite a large proportion of the population! This new exhibition demonstrates the beautiful and intricate needlework done by people in the past.

The Museum has a wonderful collection of samplers. The girls who made them come alive for us today because they stitched their names and ages on them. Some of them were as young as nine and came from local villages, like Melbourn and Comberton.

Samplers were originally made in the 16th century as a means of copying different stitches for reference, but had become more elaborate by the 18th century, often including verses and pictures. Victorian samplers are often decorated with colourful alphabets, as many were completed by girls at school to demonstrate their sewing skills.

Curator of the Folk Museum, Cameron Hawke-Smith, says: *'Everyone will be astonished by the quality of the craftsmanship and the design of these examples. Weeks of work, often by candlelight, went into these simple pictures in thread.'*
